Lost your ACA subsidy?

You may still have options for real insurance and affordable care.

1 KNOW THE 2027 RULE

Green-card holders, Cuban/Haitian entrants and COFA migrants may still qualify for federal savings if other rules are met. Other lawfully present immigrants may buy Marketplace coverage at full price.

2 IF YOU CANNOT USE THE MARKETPLACE

Ask about ACA-compliant private insurance sold directly outside the Marketplace. Check enrollment dates, the full price, and what the policy covers.

3 IF THE PRICE IS TOO HIGH

Find a sliding-fee health center: findahealthcenter.hrsa.gov. Ask hospitals about financial assistance. Dial 211 for local referrals.

4 IF YOU GOT A DENIAL

Read the exact reason. Immigration-document checks generally allow 95 days; Marketplace appeals usually allow 90 days from the notice. Follow your letter.
